**SIMPLE GIFTS**

The widow's mite: "She gave not from her surplus but from what she had to live on!" Elijah asked for his life and, in return, more than enough was given. The Lord Jesus, word of God, looked at those who were giving. He judged on quality, not quantity. What quality of gifts do we offer to God and to our neighbours? God's living word is given freely for each of us to unchain ourselves from sin. When he returns he will reward with salvation those who are waiting. Let us wait in his line.
