SIMPLE GIFTS

The widow's mite: "She gave not from her surplus but from what she had to live on!" Elijah asked for his life and, in return, more than enough was given. The Lord Jesus, word of God, looked at those who were giving. He judged on quality, not quantity.

What quality of gifts do we offer to God and to our neighbours? God's living word is given freely for each of us to unchain ourselves from sin. When he returns he will reward with salvation those who are waiting. Let us wait in his line.

Dn 12:1-13

Heb 10:11-14, 18

Mk 13:24-32

We have collated all the feedback collected from the Parish Mission and we want to present it to all of you so that together we can decide the way forward.

Please come for the Parish Assembly.

BECOMING A COMMUNITY OF DISCIPLES

'We plant the seed that one day will grow. We water the seeds already planted, knowing that they hold future promise. We lay foundations that will need further development. We provide yeast that produces effects far beyond our capabilities. We cannot do everything, and there is a sense of liberation in realizing that. This enables us to do something and to do it very well. This may be incomplete, but it is a beginning, a step along the way, an opportunity for the Lord's grace to enter and do the rest.

We may never see the end results... We are ministers, not messiahs... we are prophets of a future not our own."
St Oscar Romero
