GOD'S CHILDREN
Children are the living hope of the future. That is why "a man leaves his father and mother and joins himself to his wife, and they become one body" (Genesis 2:24). Facing the future together as a family is becoming harder in our time. How can we approach God's life if we do not experience the difference between "childish" and "childlike"? To be childlike is to gain access to holiness. Jesus showed us how to be God's children. Happy are we!
