REVERSING THE BABEL EFFECT

The Holy Spirit comes like wind and fire—sudden, sweeping all before, changing forever, and touching profoundly our wounds, our hearts, our selves. The Spirit makes us God's family: "heirs of God, coheirs with the Christ, sharing in his sufferings so as to share in his glory." The Spirit unites us, reversing the Babel effect, so that we may all speak of the marvels of God in our own language. We want to give witness to the Trinity's life in us for the salvation of all.

RECOGNIZING SIGNALS OF TRANSCENDENCE:

A PENTECOST RETREAT

The title, inspired by Peter Berger's "A Rumor of Angels", notes that even in our secularized world, human experience shows signs of a divine presence through signals of transcendence. The retreat suggests ways of recognizing these signals and ways of responding to them. There will be time for personal reflection, prayer and individual spiritual direction. By Sr. Linda Lizada & team.
